Math 485   HW 3   due Monday, February 26

1. Problem 2.25 of the textbook

2. Problem 2.29 of the textbook

3. Problem 2.33 of the textbook

4. Problem 3.1 of the textbook

5. Problem 3.9 of the textbook

6. Problem 3.11 of the textbook

7. Problem 3.12 of the textbook

8. Problem 3.13 of the textbook

9. Problem 3.16 of the textbook

10. Problem 3.22 (a&b) of the textbook

Note: Some of these calculations can be done with R and SAS. It would be great if you redo them with the Software and cross check your results.
